**The Center for Studies and Leadership (CEL)** is a space dedicated to innovation, training, and applied research, designed to promote the personal and professional growth of students, professionals, and organizations. Through specialized programs, expert consulting, and opportunities for networking, the CEL fosters leadership skills, strengthens strategic capabilities, and connects participants with a dynamic community committed to excellence and global impact.

In addition, CEL is specialized in the teaching of Spanish as a foreign language. It offers tailored courses for students who wish to learn or improve their Spanish in order to pursue academic studies at UDIMA or at any other institution where Spanish is the language of instruction.

## Flexible methodology

“dynamic  
spanish  
learning

At the Center for Studies and Leadership (CEL), we use a communicative and **dynamic methodology**, focused on the practical learning of **Spanish**. We combine grammatical theory with activities that develop speaking, listening, reading, and writing skills.

We offer complete **flexibility** in our teaching modalities:

**In-person:** We have campuses in Madrid, Barcelona, and Valencia.

**Online:** Allows you to learn from anywhere with the same quality and participation.

**Hybrid:** Students have the option to take part of their studies online (synchronously) and in-person at any of our campuses in Spain.

# Language Courses

CEL offers a wide range of language programs designed to meet the needs of both international students and professionals. Options include the Spanish Advance Year (SAY) —a full academic year program beginning in September or January— as well as intensive Spanish and English courses available at all levels (A1–C1).

Students can choose a **live online format**, with interactive classes streamed directly with the professor, or enroll in **specialized Spanish courses for professionals** in fields such as Business, Healthcare, Tourism, and Law. In addition, CEL designs **tailor-made programs** for groups, providing flexible and personalized solutions for language learning.
